

SINGAPORE

WORLD FINANCE & BANKING SYMPOSIUM

DECEMBER

12 — 13

2014

WELCOME ADDRESS

DECEMBER 2014

Dear Participants to the World Finance & Banking Symposium,

Welcome to the Nanyang Business School, Nanyang Technological University (NTU), Singapore!

This year we received almost 600 submissions and we have more than 200 academics from all over the world attending this fantastic event. A great result. We are really pleased with the exponential growth of the World Finance & Banking Symposium during last years. We are always trying to improve, year after year, the quality of our events. The high level of submissions is the recognition of the effort toward excellence.

As Keynote speakers we have two very famous professors of finance: Prof. Joseph P. H. Fan, from the Chinese University of Hong Kong and Prof. Jun-Koo Kang, from Nanyang Business School, NTU, in Singapore and co-editor of Pacific-Basin Finance Journal. Their views will drive the conference and give the framework of the approaching research evolution.

We would like to thank many people who have contributed to the success of this conference. Those who served like reviewers, presenters, discussants, and chairs and the staff of the WFBS and also the support staff, among several others, from Nanyang Business School, NTU, in Singapore. Without this extraordinary help from you all it would not have been possible to make an event with such quality in this beautiful city.

Thank you very much for your help and have a great conference!
